

Route description to DeltaPatents' Leiden office

Rijnsburgerweg 10
2333 AA LEIDEN

Public Transport

DeltaPatents is right next to the train station Leiden Centraal. When exiting the train station, make sure you use the exit next to the flower shop. The Poortgebouw is the brown building opposite the station. The entrance is situated in the centre of the building, underneath the walk-through. Enter the wing **'Zuid'**.

When entering the building, you find on your right-hand side an overview with all companies in this building: please press the button next to DeltaPatents to get in contact with one of our colleagues.

Information concerning train, tram and bus schedules can be found on www.9292ov.nl

Car

When you are using satellite navigation type in as address: Albinusdreef 2. Once you enter this street, the parking spaces for the Poortgebouw are on the left side of the road.
